Participants plan, strategize, and execute the project on behalf of a community cause. Participants will learn to utilize the skills and resources needed to reach a common goal.

COMMUNITY SERVICE

Keith County Leadership places a strong emphasis on volunteerism. The goal is to inspire emerging community leaders to take their skills and apply them, helping improve our community through service. Class members are encouraged to volunteer in a community organization of their choice during the program.

VALUE TO YOUR BUSINESS

Supporting your employee's participation in Keith County Leadership can provide many benefits to your business.

Your employee will have a deep understanding of our community.

They will bring new leadership skills to your organization.

Expand your access to business and community contacts.

ABOUT LEADERSHIP

A community is only as strong as those who live there, and this is particularly true of community leaders who help define and implement the vision that makes a community great.

Join a class of professionals representing area businesses, who meet the second Wednesday of every month for a nine-month immersive and interactive study program. The day-long courses start in August, with graduation in May.

Participate in informative sessions with recognized leaders and decision-makers. Visit businesses and organizations that are impacting our community.

Explore various community issues as each monthly class features a different topic. Learn how to apply leadership skills while working as a group on a community service project.

This program will expand your business and community network.
